

## Barry Lovelace Athlete Training Academy Parking AFTER 6pm

**Very Important!** We have gone to great lengths to arrange parking for our camps, it's important that we adhere to the parking guidelines that we have agreed upon with the Borough of Catasauqua. Please read our parking instructions and also be sure to open and print the parking map that was attached to this email!

Below are directions to the parking lot behind the Academy. These are different directions than you will get if you GPS the Academy due to some one way streets so please print these so you have them. You will notice that there are 2 spaces marked with **RED X's** (see parking map above). These spaces are for tenants in the apartments and it is **VERY IMPORTANT** that no one park there.

In addition to the parking lot, you can park right in front of the Academy on Pine St (both sides) if there are spots available and you can also park in the first 2 spots in the LukOil parking lot, the spots that are against the Academy Building (see parking map).
